DEAR MAJ WILLIAM MELLETT:

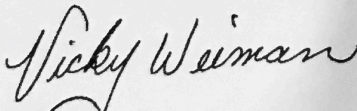

Your application for Randalls/Tom Thumb Good Neighbor program has been processed and we are pleased to inform you that the account number for your organization is 13887. **In order to keep the account number active, you must carefully read, sign and return the enclosed Terms and Conditions. We must receive the signed Terms and Conditions within 30 days or your Good Neighbor number will be terminated. Once a number has been terminated, it cannot be reactivated.** We suggest you retain a copy of this agreement for your files.

To ensure your organization receives the highest possible return, you must communicate the account number to your members and supporters of your group. Your members can then link your organizations Good Neighbor account number to their Remarkable/Reward Card by filling out a Charity Addition/Deletion form found at [www.randalls.com](http://www.randalls.com), then clicking the Community Caring button at the bottom of our homepage, and clicking on the Good Neighbor Program logo. Once this completed form is turned in at the Courtesy Booth, we'll take care of getting your group's account number activated on the customer's card. From that point on, their grocery purchases will be recorded automatically to your organization's Good Neighbor account. We'll keep a running total, and each quarter send your organization a check for one percent of the total amount. The following are suggestions for communicating your organization's number:

- **Print the number in your newsletter or bulletin**
- **Create and hang flyers and posters**
- **Mail flyers to your members/supporters**
- **Announce the account number at meetings**

We know that the success of this program is due to how easy it is for our customers to participate and the direct benefit of our Remarkable/Reward Card to each cardholder. Thank you for choosing Randalls/Tom Thumb Good Neighbor program as the ideal fundraising mechanism for your organization.

Sincerely,

  
Vicky Weiman
